## Experience

- **Freelance Graphic Designer**  
Stardust App, Oct 2022 - Dec 2022  
Redesigned the icons for symptom and activity tracking on a period-tracking app. Established a new identity.
- **Web + 3D Designer**  
Full Stack at Brown, Aug 2020 - Oct 2020  
Created models and renders in Blender for a 3D interactive website, and promotional materials for a hackathon. Designed the website's user experience.
- **Design Intern**  
Heroes Will Rise, June 2020 - Aug 2020  
Designed and prototyped several play spaces including an exhibition at the Liberty Science Center for children to explore balance.
- **Design Intern**  
Heroes Will Rise, June 2019 - Aug 2019  
Designed Rigamajig Junior Spinning Tops Kit and several other projects. Emphasized the importance of free, imaginative play.
- **Senior Lab Assistant**  
RISD Nature Lab, June 2019 - Dec 2020  
Assisted students with specimens and equipment. Demonstrated lab equipment. Cared for animal habitats. Archived specimens.
- **Design Intern**  
Studio Endo, Jan 2019 - Feb 2019  
Ideated and prototyped new lighting designs for the company's next collection. Assembled parts and orders.
